

## Five-star dining off the beaten path in the stunning Arkansas Ozarks at PJ's River Run Restaurant

Greetings Fellow Nature Lover and Seeker of Finery!

Whoever says that remote outdoor destinations are “roughing it” hasn’t been to PJ’s River Run Restaurant in the beautiful Ozark mountains of Arkansas!

PJ’s is the perfect ‘lure’ to entice that special person in your life to venture to a remote, natural setting—just the two of you and nature. But nature with a twist!

Would you have ever imagined that deep in the hills of Arkansas, 100 miles from the nearest major city, you could hike, canoe, trout-fish or ride horses by day, and then spend a special, romantic and relaxing evening enjoying a five-star meal with the finest selection of adult beverages?

Arrive before your reservation so you can begin your evening together with an unrushed round of drinks in PJ’s full bar where they keep the fruity-licious sangria flowing.

After being seated in the intimate dining room, enjoy appetizers like PJ’s Smoked Trout and Bacon Wrapped Quail followed by PJ’s tangy, delectable Whiskey Shrimp Soup or PJ’s famous fresh salad bar; then entrees like Steak au Poivre, or falling-off-the-bone-tender Pork Osso Buco, or my personal favorite-PJ’s Rib Eye with Brandy Peppercorn sauce!

Dining on a multi-course meal of only the freshest ingredients, while taking in the lush vegetation and the clear turquoise water of the White River passing peacefully by-it is the perfect way to end a day in the Arkansas Ozarks.

PJ’s staff will serve you and your guest with style, elegance, and friendly hospitality. Crisp white table linens, fine china and silver, and candle light on each table in the rustic lodge all set the perfect tone to enjoy conversation with your dinner-mate, as well as chatting up the engaging restaurant staff.

Here are some comments PJ’s has received from their customers:

"If I had to rate them on a scale from 1 to 10, I'd give them a 15!"

"One of the best places to eat in Arkansas, maybe America!"

"We have had great meals in lots of cities around the world, but tonight was AMAZING!"

Among Trip Advisor comments you will find the following:

“Ambiance was nice, table setting was very nice, service was stellar, but without a doubt, the food was the highlight.” . . .Curiousflea, Johannesburg South Africa

“A rare find. If you’re in the area, don’t miss the opportunity to dine here. A wonderful experience, gorgeous river view and not your typical Arkansas restaurant menu.” . . . Tanya M.

In May 2016, the River Run Restaurant was named “Home of the Week” in the Springfield News-Leader, describing the restaurant as “Paradise on the banks of the White River.”

Owner Charlie Pasquan stated, “People will show up without a reservation and are so shocked if we tell them we don’t have any space. We try to accommodate people, but we can’t always. They look at us and say, ‘But you’re in the middle of nowhere’.”

Whiteriverresort.com promises “A very special *casual* dining experience awaits you at the River Run Restaurant. Its culinary staff has taken the best of West Coast and Southern cuisine, combined with fresh ingredients and extremely high standards to give you a dining experience you will not soon forget.”
